

Terms and Conditions for using Superdrug Mobile

All the things you need to know now that you're using our network and Services.

If you want a copy of these terms and conditions ("Terms and Conditions") in an alternative format such as Braille or large print, or for more information on our accessibility services contact accessibility@superdrugmobile.com.

Activating your SIM means that you accept these Terms and Conditions.

1 Who's who and what's what

1.1 When we say:

- (a) 'we', 'us' or 'our', we mean Superdrug Stores plc, trading as Superdrug Mobile.
- (b) 'you' or 'your', we mean you, the customer.
- (c) 'agreement', we mean your agreement with us.

1.2 The glossary, found at the end of these terms, lists some useful definitions we use in these terms.

2 About your agreement

2.1 Your agreement is made up of these Terms and Conditions and your Price Guide. Additional terms may apply to any promotional or special offers from time to time.

2.3 You must be a UK resident to use Superdrug Mobile.

2.4 You must be at least 12 to be a Superdrug Mobile customer. If you are under 16, you must obtain your parent or guardian's consent before activating your SIM.

2.5 Your agreement is personal to you. You're obliged to do what you've contracted to do, unless we write and say you can do something outside this agreement. Unless we give you permission (acting reasonably), you can't pass your rights or responsibilities to anyone else - even if we give you more than one SIM or you give your Device to others. It's your responsibility to make sure the SIMs are only used to access our Services, as permitted in this agreement and under any applicable laws.

2.6 This agreement doesn't cover:

- (a) products or services you buy while using our Services; or
- (b) the supply of your Device and manufacturers that aren't related to us.

3 When your agreement begins

3.1 Your agreement starts when we connect you to Superdrug Mobile. By activating your SIM online at <https://www.superdrugmobile.com> and entering your personal details, including the SIM ICCID number, you are expressly requesting that Superdrug Mobile provide you with our Services.

3.2 It is a condition of using the Services that you must be a member of the Superdrug Health & Beautycard programme. Separate terms and conditions apply to the Superdrug Health & Beautycard programme which can be found at <https://www.superdrug.com/bcTerms>.

4 Variations to your agreement or prices

4.1 We may vary any of the terms of your agreement, including our Plan(s), Add-ons or prices, on the following basis:

- (a) any updated Plan(s) and new terms will be available on our website, or by request to our Customer Team.
- (b) we'll let you know at least one month in advance if we decide to:
 - (i) discontinue your Plan; or
 - (ii) make any variations to your agreement which are (in our reasonable opinion) likely to be of material detriment to you.
- (c) We may:

- (i) Change or introduce new changes in respect of plans, add-ons or change out of plan prices, add or remove international countries where we support roaming or international calling; or
 - (ii) Change or introduce new charges as a result of any changes to services or increases in charges imposed on us by third parties e.g. changes to roaming costs or international call costs, where such changes are related to the costs/price increases charged to us by wholesales partners or proproviders.ke changes where permitted or required to comply with law or regulation.
 - (iii) Make changes which are, in our reasonable determination, required to maintain or improve the quality or security of the services.
- (d) we may remove or terminate any discounts or services, plans, add ons or Superdrug Mobile which you were informed at the time of purchase would be removed or terminated.
- 4.2 You're free to stop using our Services if we make such variations, but if you carry on using our Services after any variation or change, you'll be deemed to have accepted the variation.

5 What we'll provide for you – a phone number and SIM

- 5.1 We'll open an account for you and provide you with a SIM and a phone number (and we may agree to provide you with additional SIMs and phone numbers on request).
- 5.2 Each SIM remains our property at all times. You're being allowed to use the SIM by us on a limited licence to enable you to access our service, in accordance with the Terms and Conditions of this agreement. We may recall the SIM(s) at any time for upgrades, modifications, misuse or when your agreement ends. You can only use the SIM to obtain the Services from us.
- 5.3 Each SIM may only be used in Devices which are enabled for our Services and are authorised by us for connection to our network. Any attempt to use the SIM in other Devices may result in serious damage to the device and may prevent you from being able to use it, including the making of emergency calls. In these instances, we are not responsible for any such damage or usage problems.
- 5.4 Porting your number
- (a) You can move your existing number and all your mobile services to us with a Porting Authorisation Code (PAC). A PAC will bring your number to Superdrug Mobile and will cancel all mobile services with your previous provider. Once we've verified these details, we'll tell you the date when your number will be moved. You can choose the date this takes place; contact our Customer Team at

www.superdrugmobile.com to do this. On the day the transfer takes place, you may lose signal on your existing number whilst we move it to Superdrug Mobile. If you request a transfer before 5pm, the transfer will be complete the next working day. You should be aware that you are giving your express consent to transfer your existing number and all your mobile services to us.

- (b) If you choose to leave Superdrug Mobile you can move your number and all your mobile services – at no charge – to a new provider by requesting a Porting Authorisation Code (PAC) from us and giving it to the new provider. You can do this on your dashboard, via our Customer Team (available by web chat on www.superdrugmobile.com) or by sending a text message with the word ‘PAC ddmmyy’ to 65075. The PAC will be valid for 30 days from when it is issued to you. The transfer works in the same way; you may lose signal on your existing number whilst it is moved to the new provider. If you request a transfer before 5pm, the transfer will be complete the next working day and will cancel your number and all mobile services with us. You are entitled to a refund of any unused data bundles or cash add-ons. Once your port out is complete, contact us via web chat on www.superdrugmobile.com and request a refund within 90 days of leaving.
- (c) If the move to Superdrug Mobile becomes delayed you may be entitled to compensation in the form of a one-off reimbursement of a portion of your Charges. We will automatically add to your Superdrug Mobile account within 30 days of its completion. Contact our Customer Team at www.superdrugmobile.com to find out more.

The Services

5.5 Once you’re connected to Superdrug Mobile:

- (a) we will provide you with access to our Services. The Services will include Premium Services (which may require you to request them and our prior approval for you to use some of those Premium Services) and may also include Age Restricted Services, provided you are 18 or over and you do not show or send any content from the Age Restricted Services to anyone under 18.
- (b) you can make free calls to emergency services from your phone by calling 999, 112, 111, 119, 101 and 105.
- (i) When you’re outside of our coverage area in the UK, your phone will try to locate another mobile network so that you can try to contact the emergency services (however, neither your mobile telephone number nor your Location Data will be transmitted in these circumstances).
- (ii) Emergency service calls cannot be made using Skype (or certain other voice over IP services) on your phone - if you do wish to call the emergency services, you’ll need to make a normal voice call from your phone.

- (iii) If you have difficulties hearing or are speech impaired and you need emergency assistance, you can send a text message with details of your location to 999 or 112 - the text will be converted and passed to the appropriate emergency service but you'll need to register your phone before you can use this service - details on how to do this are available at <http://www.emergencysms.net/>
 - (c) If you have a Device, other than a phone, capable of making telephone calls, you may be able to use this to make free calls to emergency services in the UK by calling 999 or 112, however your Location Data may not be transmitted to the emergency services in these circumstances.
- 5.6 You may also be able to upload and send your own content using our Services. You grant us an irrevocable, royalty free, perpetual, and worldwide licence to store, transmit or otherwise deal with any content you upload. All content will be dealt with in line with our Privacy Policy which can be found here <https://www.superdrugmobile.com/sales-portal-cms/public/Superdrug/sales-portal/asset/pdf-privacy-policy>.
- (a) We may; change or withdraw some, or part, of our Services from time to time. This may be because of changing technologies, obsolescence, new or different product features, changing content providers or the need to remove, replace or modify content. Depending upon the changes that are made, you may have a right to end this agreement, as explained in Sections 4 and 10.
 - (b) also change how our Services are presented and delivered to your device or are otherwise made available to you. We can change the way they're presented, delivered or otherwise made available to you at any time.

Limitation of Superdrug Mobile Services

- 5.8 We'll always try to make our Services available to you. However, our Services are only available within our coverage area in the UK. Within this, there may be areas where you don't have access to all of our Services, or where coverage is otherwise limited or unavailable.

Our network provider, Three, has confirmed to Ofcom their intent to upgrade the network throughout 2023 and 2024. As a result of these changes, you will need a 4G or 5G handset capable of making voice calls on the 4G network. If you have a 3G-only device, or a 4G handset that can only make 3G voice calls, it will not work on the Network, in areas where planned work is carried out or has already been carried out.

For more information, take a look at our coverage checker here <https://www.superdrugmobile.com/register/coverage-checker>.

Disruption to Superdrug Mobile Services

- 5.9 There may be situations when our Services are not continuously available or the quality is affected, so we can't guarantee continuous fault-free service. For instance:

- (a) when we need to perform upgrading, maintenance, or other work on our network;
- (b) when you move outside our 3G service area while you're on a call (in this case calls may not be maintained);
- (c) when you're in areas not covered by our network. In this case our Services rely on other operators' networks where we have no control; and
- (d) because of factors outside our control, such as the features or functionality of your Device, regulatory requirements, lack of capacity, interruptions to service from other suppliers, faults in other communication networks, the weather or radio interference caused by hills, tunnels or other physical obstructions.

What you'll do in return

6 Personal Security

- 6.1 As we own the SIM and it remains our property, you must ensure that you keep the SIM safe and secure while it's in your possession and you must ensure that you're able to return it to us, if required.
- 6.2 You must keep all PINs and passwords secure and confidential.
- 6.3 You should immediately change your PIN or password if you become aware that someone is accessing service on your account without your permission.

Responsible use - How you use our Services

6.4 You may only use the Services:

- (a) as laid out in this agreement; and
- (b) for your own personal, non-commercial use. This means you must not resell or commercially exploit any of our Services or content.
- (c) You must be 16 years or older to hold an account with Superdrug Mobile. If you are aged 16 years or under, you must obtain your parent or guardian's consent to use our services.

- 6.5 You must not use our Services, the SIM or the Superdrug Mobile phone number or allow anyone else to use our Services, the SIM, or the Superdrug Mobile phone number for illegal or improper uses. For example:
- (a) for fraudulent, criminal or other illegal activity;
 - (b) in any way which breaches another person's rights, including copyright or other intellectual property rights;
 - (c) to copy, store, modify, publish or distribute our Services or their content, except where we give you permission;
 - (d) to download, send or upload content of an excessive size, quantity, or frequency. We'll contact you if your use is excessive;
 - (e) in any way which breaches any security or other safeguards or in any other way which harms or interferes with our network, the networks or systems of others or our Services; or
 - (f) to use or provide to others any directory or details about our customers.
- 6.6 You must co-operate with us and follow our reasonable instructions to ensure the proper use and security of your account. This includes (but is not limited to) any instructions from us to update the settings on your device in which you're using our SIM.
- 6.7 If anyone makes, or threatens to make, any claim or issue legal proceedings against you relating to your use of our Services, you'll notify us of this immediately and, at our request, immediately stop the act or acts complained of. If we ask you to, you must confirm the details of the claim(s) in writing.
- 6.8 We may publish an acceptable use policy and a traffic management policy which will provide more details about the rules for use of certain of our Services in order to ensure that:
- (a) the use of our Services is not excessive;
 - (b) to combat fraud; and
 - (c) where the Services we offer, or may introduce, require certain rules to ensure they can be enjoyed by our customers.
 - (d) If we publish a policy, we'll let you know. Such a policy may be amended from time to time, for instance, if we discover that our Services are being used for fraudulent purposes, or excessive use of our Services is causing problems for us, our systems, or for other users, or if we

introduce new services which require certain rules to ensure that such new services can be enjoyed by our customers. Again, we'll let you know if this happens.

Responsible use – How you use the Messaging Service

- 6.9 While using the Messaging Service, you must not send or upload:
- (a) anything that is copyright protected, unless you have permission.
 - (b) unsolicited bulk or commercial communications or other unauthorised communications, or knowingly send any viruses; or
 - (c) anything that is obscene, offensive, abusive, defamatory, menacing, harassing, threatening or is unlawful in any other way.
- 6.10 We may put limits on the use of certain services, such as Messaging Services. For example, we may limit the size of messages or storage space.
- 6.11 While we have no obligation to monitor the Messaging Service, if you use the Messaging Service in a manner that we deem contrary to normal consumer activities, we reserve the right to stop your Messaging Service without notice. You may still be charged for any content which is blocked or removed.

Responsible use – How you use Age Restricted Service

- 6.12 If you're under 18, you're not permitted to access our Age Restricted Service. If you're 18 or over and you access the Age Restricted Service, you must not show or send content from the Age Restricted Service to anyone under 18. You must also ensure that you have deactivated any access to Age Restricted Service if you let anyone under 18 use your device.
- 6.13 You accept that we cannot control access to age restricted services obtained over Wi-Fi.

Responsible Use – Unlimited Data only plans

- 6.14 Our unlimited data only Sim plans are for personal, non-commercial use and can be used in SIM enabled tablets or laptops and portable mobile WI-FI devices and is uncapped for this use. The SIM card should not be used as a permanent long-term alternative to home broadband. If we determine in our sole opinion that your use of our services is in breach of these Terms and Conditions and /or exceeds that reasonably expected of someone using the Service for legitimate personal, non-commercial use, then we may at our discretion terminate (in accordance with section 10) or suspend (in accordance with section 9) or restrict your service. As an example, without limitation, we consider that if you regularly tether more than 8 devices that this is unlikely to be legitimate personal, no commercial use.

Responsible use – How you use Superdrug Mobile Services outside the UK

6.15 If you use the Services from a country outside the UK:

(a) Your use of the Services may be subject to laws and regulations that apply in that country. We're not liable for your failure to comply with those laws or regulations.

(b) You will be roaming on another operator's network so:

(i) you may not receive the same level of coverage and speed as you're used to on the Superdrug Mobile network.

We have no liability if you are not able to access services abroad, or if the quality of any other operator's network services differs from those provided on the Superdrug Mobile network and;

(ii) we accept no responsibility for information processing when it leaves our control.

(c) If you are travelling in the EU or EAA:

(i) You will be subject to our data "Fair Use" limit of 12GB per month. This helps us give our customers the best experience when using the Superdrug Mobile network. The "Fair Use" limit resets each time you renew. This limit may be amended from time to time by Superdrug Mobile.

(ii) You will receive a notification when you reach 80% of your 12GB limit and also when the limit has been reached even if you have a plan with more than 12GB of data included. You can choose to increase your data allowance if you run out by purchasing one of our Cash add-ons. If you choose not to increase your data allowance, you will be restricted from using more than 12GB data while you are in the EU or EAA.

(iii) you are able to use Our services for a maximum of 60 continuous days, after which we will suspend your services in line with clause 9.1 (i) below.-

6.16 You may accidentally roam if you're in an area close to national borders because your Device picks up a network signal across the border and you may be charged as if you were roaming on an international network. In such a case, if you roam for any two complete months in a rolling 12-month period, we may suspend international roaming on your account, meaning you will no longer be able to use your device or allowances. We'll let you know in advance if this is likely to happen.

Fair Usage & Termination Rights

- 6.17 We reserve the right to monitor data usage and take appropriate action if we detect excessive or abnormal usage of data while abroad. If we determine that usage is inconsistent with our fair usage policy, we may take steps including, but not limited to, restricting data speeds, applying additional charges, or terminating the service. You must not use our Services to download, send or upload content of an excessive size, quantity or frequency, or Artificially Inflated Traffic (Artificially Inflated Traffic means calls, data or texts that result in patterns that are disproportionate to the overall type, amount, duration and/or extent of calls, data or texts which would be expected from good faith use of our Services. We'll contact you if your use is excessive.
- 6.18 Or We reserve the right to monitor data usage and take appropriate action if we detect excessive or abnormal usage of data while abroad, including **prolonged or continuous roaming**. If we determine that usage is inconsistent with our fair usage policy or indicates **permanent roaming**, we may take steps including, but not limited to, restricting data speeds, applying additional charges, or terminating the service.

Paying your Charges

- 6.19 Payment for your plan is made upfront each month. You will need to register a payment method (e.g. credit or debit card) so that you can pay automatically when your plan is renewed every month. You are able to turn off auto-renew at any time in your dashboard (log in on our website and then go to account settings, then payment settings, then payment settings then untick auto renew on your dashboard - <https://www.superdrugmobile.com/register/login>) and instead choose to pay for each month manually in advance but if you do not pay in time, our Services may be suspended.
- 6.20 Your renewal cycle will start once you activate your SIM and payment for your plan is due (and if you have auto-renew enabled, will be taken) on the same day monthly thereafter ("Renewal date"). If you pay on 29, 30 or 31st of a month your renewal date will be earlier in a shorter month.
- 6.21 Where applicable, any credit or allowances contained on your account will be reduced each time you use or incur Charges for the Services. You may only use Add-ons to obtain credit or allowances for access to the Services. Add-ons and any credit or allowance on your account are not redeemable for cash under any circumstances.
- 6.22 Once purchased, Add-ons are automatically activated on your account.
- 6.23 If you use your device to buy goods and services from third parties, you're responsible for paying any bills they may send to you.

6.24 To protect you against fraud, we may place limits on the amount of credit that can be activated on your account. We may vary these limits from time to time.
